Dame Rachel De Souza is the Children's Commissioner for England. Rachel has a legal duty to promote and protect the rights of all children in England with a particular focus on children and young people living away from home, in or leaving care, or receiving social care services.

To get in contact with the commissioner you can call her on, 020 7783 8330 or email info.request@childrenscommissioner.gov.uk

We want you to have as much input into your care planning and if you feel any of your rights have not been met then please discuss this with an adult you trust.

What to do if you are feeling sad or unhappy

We want everyone at Woodbridge house to feel safe, secure and happy.

Sometimes, for whatever reason, there may be times when you may not feel happy or maybe don't understand a decision that has been made.

How to make a Complaint:

Adults at Woodbridge House will help you to make a complaint if you feel unhappy about any of the care you have received. If you feel your rights have not been met you have the right to complain.

It may be helpful to try and resolve the matter by talking to your key workers, the management team or an adult you trust to try and solve any issues.

If you are still not happy with the outcome then we can give you a complaints form and this will then be given to management to be looked into.

seriously.

Complaints Procedure:

You can ask an adult and they will provide you with a complaints form, these are kept in the office or in the complaints folder in the small lounge.

The complaints form will then be given to a manager to look into.

If your complaint is about a manager then the complaint will be dealt with by someone outside of the home.

Management will talk to you to investigate your complaint.

Management will keep you informed while they investigate.

The management team will discuss ways to make things better for you and will clarify that you are happy with the outcome of the complaint.

This is Betsy the managers' dog
Steve's dog is 11 years old and
he sometimes brings Betsy in the
home she is like a therapy dog
and if you are feeling down, she
may make you feel better. She is
a really a small dog and she like
cuddles and walks and to be
looked after like we do. you
need to treat Betsy kindly as
she will treat you kindly. There is
a risk assessment in place for
her and if you miss treat her,
there is a chance that she won't
be allowed back in. She will
never bark or growl (unless,
obviously you are playing with
her), otherwise if she barks it
will only be because of loud
noises or you have hurt her.
