

Appendix 4: Prevalence of FGM among women aged 15-49 in Africa and the Middle East

These figures give an indication of the practice of FGM for Africa and not migrant communities in the UK; this UK data remains unknown.

Source: UNICEF (July 2013), global databases based on data from Multiple Indicator Cluster Survey, Demographic and Health Survey and other national surveys, 1997–2012.11. Taken from Draft Multi-Agency Statutory Guidance on Female Genital Mutilation (for consultation) (2015) Home office.
