

## Early Alert for Suspected Child Suicide

If child death is a suspected suicide, Head of Public Health (Health Improvement) is notified via email and telephone if possible [Suicide@barnsley.gov.uk](mailto:Suicide@barnsley.gov.uk)

The usual process for CDOP should also be followed

Contact to be made with school through via Public Health Senior Practitioner

Public Health Senior Practitioner to convene first multi-agency contagion response meeting to reduce contagion and community distress

Links maintained with Barnsley Safeguarding Children partnership, Barnsley CDOP via Head of Public Health and Suspected Suicide Learning panel process via Public Health Senior Practitioner.
