Fire Escape Plan

Fire can be very frightening, but don't worry, the adults are going to help you make your own **Fire Escape Plan**.

If a fire starts in the home you might be scared, but try very hard to stay calm.

Having a **Fire Escape Plan**, so you know what to do if there is a fire, could save your life.

Fire Plan part 1

If you are woken up by the sound
Of your smoke alarm or by the
sound of what you think is a fire,
remember:

STOP - THINK - ACT

- Stay calm.
- Make your way out together, through the nearest exit.
- Do not open any doors other than the ones you need to escape through.
- If a door feels hot DO NOT open it.
- When everyone is safely outside call 999
- DO NOT GO BACK TO THE HOUSE for any reason

If the fire is blocking your way
or you cannot use the stairs for
Any reason, you must use the
Second part of your **Fire Escape Plan**.

Fire Plan part 2

In fires there is sometimes a lot
of smoke. This can kill you. If
you have to go through a smoke
filled hallway or room, get down
on your hands and knees and
crawl under it. If you are trapped
in a room by smoke or fire, you
need to try to stop smoke getting
into the room.

- Close the door.
- Block any gaps into the room. Use towels, blankets or spare clothes.
- If there is a telephone in the room dial 999.
- If there is no telephone, go to the window and shout for help.
- Once you know you have been heard and help is on the way, stay near to the floor by the window. Smoke and heat rise so you are safer near to the ground.

**The Fire Assembly point is at the
(The walnut Tree). The BIG TREE
At the front of the house.**

**NEVER HIDE IN YOUR WARDROBE OR A
CUPBOARD!!**

Advocacy – An Advocate is there to support your choices. For example, they can:

- Listen to your views and concerns
- Help you explore your options and rights (without advising you in any particular direction)
- Give you information to help you make informed decisions
- Help you contact relevant people, or contact them on your behalf
- Accompany and support you in meetings or appointments
- Please speak to an adult about accessing your advocate for support with anything you are unhappy about

What to do if you are feeling sad or unhappy

We want everyone at Roseland House to feel safe, secure and happy. Sometimes for what every reason there may be times when you may not feel happy or maybe don't understand a decision that has been made. There may be something from your past, a problem at school or something within the home. We always encourage you to talk with an adult in the home about this first. Who can talk through this with you and help with any worries.

We might need to talk to other people like a teacher or social worker to get the best outcomes for you

How to make a Complaint

Adults at Roseland House will help you to make a complaint if you feel unhappy about any of the care you have received. If you feel your rights have not been met you have the right to complain.

It may be helpful to try and resolve the matter by talking to your key workers, the management team or an adult you trust to try and solve any issues.

If you are still not happy with the outcome then we can give you a complaints form and this will then be given to management to be looked into.

All complaints will be taken seriously

Complaints Procedure

You can ask an adult and they will provide you with a complaints form, these are kept in the office or in the complaints folder or attached to the house notice board in the lounge. Or you can complain to your Social Worker, Independent Reviewing Officer, Registered Manager, Advocate, Independent Visitor or whomever the want to. We ensure that children have access to a phone if they need to make a private phone call (with appropriate numbers of various organisations available (see below).

The complaints form will then be given to the Manager or Janice the deputy Manager to look into.

If your complaint is about a manager then the complaint will be dealt with by someone outside of the home.

Management will talk to you investigate your complaint.

Management will keep you informed while they investigate.

The management team will discuss ways to make things better for you and will clarify that you are happy with the outcome of the complaint.
