#### TRIAGE

##### NON OPEN CASE

##### MEETS TIER 3 THRESHOLD

Case meets threshold for CIN/S47 Assessment

Police record sent to Business Support of IRT to create Contact record – actions/rationale to be added by duty or line manager. Allocation of case for CIN Assessment, subject to consent of family, or progression to S47 enquiry.

##### NON OPEN CASE

##### MEETS TIER 2 THRESHOLD

Case meets threshold for Early Help Service

Police record sent to Business Support of Early Help to create Contact record – actions to be added and authorised by duty or line manager. This includes the allocation of a Family Intervention Worker if consent is secured.

##### NO FURTHER ACTION

##### DOES NOT MEET TIER 2/3 THRESHOLDS

Case does not meet thresholds for further assessment or intervention at Tiers 2/3

Police records updated to show that NFA will be taken following discussion at IRT triage. NFA records may be used to inform future triage decisions - where there is increasing evidence of need or risk – that Tier 2 or 3 thresholds have been met.
