

Remand Local Authority Accommodation

Bail Recommendation module to be completed at first instance or court to inform proposed conditions/recommendations.

Ensure remand outcome is clearly recorded on the Court tab on Childview by admin.

Admin to create relevant intervention on Childview

Admin to alert local authority partners regarding the remand and to initiate LAC process.

Seniors to allocate to YJS Officer.

Allocated YJS officer to liaise with allocated Social worker and ensure a meeting is held within 72 hours to hold initial placement planning meeting. Parents/Carers should be invited.

During the initial placement planning meeting the YJS officer and all other professionals present should consider the package of support for the child focusing on the immediate concerns and risks. The discussion should also explore bail options for the next hearing.

Allocated YJS Officer should support delivery of interventions as identified in the plan.

Child Looked After initial/review meetings should be organised by Social Care and take place in line with Children's Act 1989.

Throughout the period of remand the YJS should continue to consider alternative options e.g. Bail Supervision and Support package (with and without Intensive Supervision and Surveillance) whilst working in conjunction with the child, defence solicitor and other relevant agencies.

The YJS officer should ensure that all planning meetings are clearly recorded on Childview.

An ASSETPLUS **Bail recommendation stage** should be fully completed within 20 days of the initial remand where a child is not known to YJS.

Where a child is known to YJS, the ASSETPLUS should be case staged as **Bail recommendation** and updated accordingly.
