

Bail Recommendation

Bail Recommendation module to be completed in the first instance or at court to inform proposed conditions/recommendations.

Ensure that the conditions of bail are clearly recorded on the Court tab on Childview by admin.

Case to be allocated to YJS officer to oversee compliance and admin to be notified to create correct intervention tab on Childview.

Scheduled appointments in line with conditions imposed by the court should be recorded on Childview including all planned appointments.

The YJS officer should meet the young person as per the conditions imposed by the court.

During scheduled sessions with the young person, the YJS officer should seek to explore any factors which relate to desistance without discussing the offence.

Case officers should utilise the "**Bail Intervention**" folder and deliver tailored interventions during scheduled appointments.

The bail recommendation stage should be completed within 20 working days of the hearing.

Attendance and engagement should be recorded on Childview client database on the same day or within 24 hours.

Where a child fails to attend scheduled appointments as part of court-imposed bail conditions, this is an offence.

The YJS officer should complete an **MG11 form** (*witness statement*) outlining the breach with support from YJS Police Officers.

YJS Police will circulate the **MG11** and information regarding breach into the Police databases.

The YJS officer should advise the young person that the information on breach has been shared with the Police.
