

Babies Cry, You Can Cope!

The local safeguarding children boards, and the Child Death Overview Panel, for Blackburn with Darwen, Blackpool and Lancashire are launching a new campaign and resources in a bid to support parents and carers in coping with infant crying.

The call for resources comes from a number of infant deaths and serious case reviews where a baby has died or been seriously harmed as a result of abusive head trauma.

The campaign will be formally launched via three staff briefing sessions... see below for further information and to book your place!

DATE

Tuesday 30 April 2019

SESSION 1: 9.30am to 11.30am

SESSION 2: 12.00pm to 2.00pm

SESSION 3: 2.30pm to 4.30pm
