

Our Promise To You

Once upon a time, there
was a dinosaur called Dino.
Dino lived with Doris and
Derek in their nice forest.

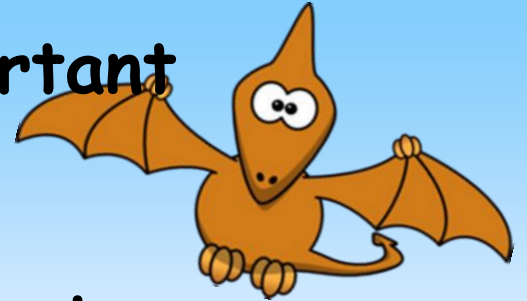

Dino couldn't live with his mummy and daddy, but there were lots of people who wanted to help Dino and keep him safe.

The wise Owl wanted to make sure Dino was happy and safe.

The wise Owl had an important job...

It was the Owl's job to make sure Dino was happy where he lived and with who he sees.

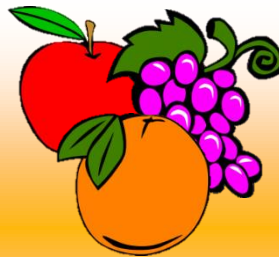

The Owl made a **PROMISE** to Dino.

The Owl promised...

To help Dino to stay safe
and healthy.

The Owl promised...

To help Dino to make
decisions and choices
about his life.

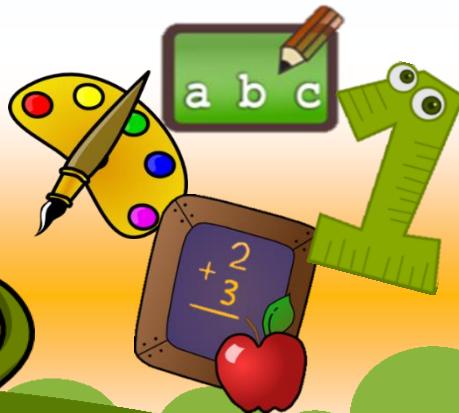

The Owl promised...

To encourage Dino to try
hard and do his best.

The Owl promised...

To help Dino to enjoy
learning and work hard in
school.

The Owl promised...

To listen to Dino and to
make sure he knows what
will happen next.

The Owl promised...

To celebrate with Dino
when he does well!

The Owl promised...

To make sure Dino has
lots of people who will
help him.

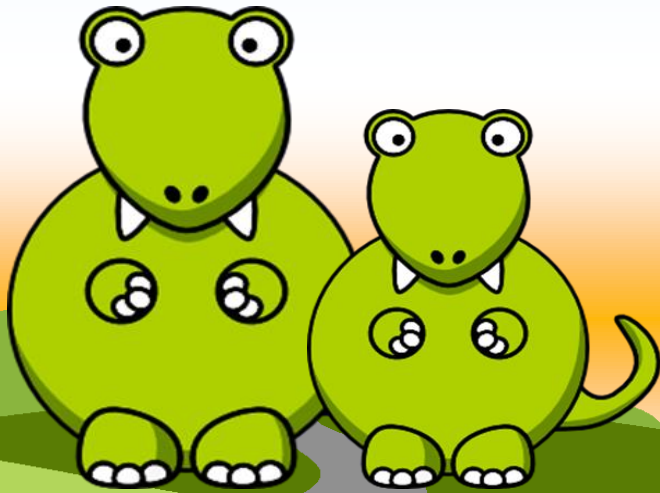

The Owl promised...

To help Dino to do
activities that are fun
and to try new things!

Dino was really happy that the Owl could help him, it made him feel safe.

Dino told Derek and Doris he was happy with the Owl!

Just like Dino, you have a wise Owl to help you!

Your Owl is your social worker.

Your social worker promises you...

To help you to stay safe and healthy.

To help you to make decisions and choices about your life.

To encourage you to try hard and do your best.

To help you enjoy learning and work hard in school.

To listen to you and make sure you know what will happen next.

To celebrate with you when you do well.

To make sure you have lots of people who will help you.

To help you to do activities that are fun and to try new things.
