Special Guardianship Services

Post SGO Support

2020/21

Who are we?

- Post SGO Support is provided by the Children and Families Support Team, a multidisciplinary team; part of Leicester City Council's Education and Children's Services
- We are responsible for:
- Post SGO support
- Post Adoption Support
- Therapeutic support to Looked After Children and their carers

Why are we here?

The needs of children and families don't suddenly stop once a Special Guardianship Order is made. You may have questions, need advice or even help. This is where we come in. With our extensive knowledge, experience and skills, you can expect a service that is bespoke to you and your family's needs.

As a new service, we are always looking out for ideas and feedback.

Why not drop us a line or give us a call?
