

Module 8

Views of Parent/s and Child/ren

Ensure you share the work you have undertaken with them, when completing a parenting assessment, make the time to go through it in detail with them and be there to answer any questions and why you have said what you have.

Parents comments /views

- What are the parents views on the work you have undertaken with them and the children
- What is their view of the progress that has been made

Child/ren comments/views

- What are the children's views on the work you have undertaken? Are things better for them now, or the same?

Suggested Tools and Resources

- End of Session Template
- Bees Feedback Children 7-11
- Bees Feedback Children 11-18
- Bees Feedback Children under 7
- Bees Feedback Parents / Carers

Outcomes

- Represent the parent/s and child/ren's view of the work undertaken and the overall interventions and assessment.
