

Peterborough Connecting Families Programme Outcome Plan July 2017

Parents and children involved in crime and/or anti-social behaviour

Strategic Goal: "Building cohesive, safe and confident communities and reducing crime" (Safer Peterborough Partnership Community and Safety Strategic Plan, 2014-2017).

	What are we concerned about?	How will we know?	What does success (Significant and Sustained Progress) look like?	How will we know Significant and Sustained Progress has been achieved?
A1	A child or young person has committed a proven offence in the last 6 months	One of the following: <ul style="list-style-type: none"> • Aspire Youth Justice offence with Substantive Outcome • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child or young person 	No proven offences committed for a period of 6 months following qualification under this measure (and no outstanding charges for offences committed since the start of this period)	Aspire Youth Justice check
A2	An adult, child or young person has received an ASB intervention in the last 6 months or is covered by an existing intervention	One of the following: <ul style="list-style-type: none"> • ECINS record • Crime File record • ASB Case Review meeting • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the adult, child or young person 	Successful completion of a formal ASB intervention and no further incidents for 6 months following qualification under this measure.	Both of the following: <ul style="list-style-type: none"> • Declared at least 6 months after qualification by professional supporting the adult, child or young person • Verified on Crime File
A3	A young person is deemed at risk of entering the youth justice system	One of the following: <ul style="list-style-type: none"> • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the young person 	Both of the following: <ul style="list-style-type: none"> • No youth offending or anti-social behaviour incidents have taken place for a period of 6 months following qualification under this measure (A3a) • The young person presents a reduced risk of entering the youth justice system (A3b) 	A3a: Aspire Youth Justice and CrimeFile Check A3b: One of the following: <ul style="list-style-type: none"> • Declared at least 6 months after qualification by professional supporting the young person. • Improvement in the Outcome Star score by 20% on at least two points of the star as compared to the lowest rated star, with no regression on any other points of the star

A4	An adult, child or young person is affected by another family member being incarcerated	One of the following: • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the adult, child or young person	Increased resilience, emotional wellbeing and financial stability for a period of 6 months following qualification under this measure	Declared at least 6 months after qualification by professional supporting the adult, child or young person
A5	An adult, child or young person is affected by a family member being released from prison	• Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the adult, child or young person	Increased resilience, emotional wellbeing and safety for a period of 6 months following qualification under this measure.	Declared at least 6 months after qualification by professional supporting the adult, child or young person

Children with poor school attendance or behaviour

Strategic Goal: "Reducing levels of Overall Absence and Persistent Absence" (Promoting Good School Attendance document, September 2014)

	What are we concerned about	How will we know?	What does success (Significant and Sustained Progress) look like?	How will we know Significant and Sustained Progress has been achieved?
B1	A child has concerning school attendance problems	<p>One of the following:</p> <ul style="list-style-type: none"> • The school census, CapitaONE or Salesforce Educate system show that the child has been absent for 10% or more of all possible sessions over the last three consecutive terms. • Ticked as a need/highlighted in the Early Help Assessment. • Identified by professional supporting the child. • Child is open to the Attendance Service on the basis of Non-School Attendance 	<p>The child must achieve each of the following:</p> <ul style="list-style-type: none"> • Be on a school roll or accessing appropriate alternative provision (B1a) • Have satisfactory attendance over 3 consecutive terms (B1b) • Not have an open involvement from the Attendance Service on the basis of Non-School Attendance (B1c) • Or, where the young person has turned 16 and completed the final year of compulsory education, the young person is in sustained Employment, Education or Training (B1d) 	<p>B1a: CapitaONE/Salesforce Educate record/School census</p> <p>B1b: CapitaONE/Salesforce Educate record/School census shows 90% attendance over last 3 terms. Where child qualified on professional identification, progress to also be confirmed by professional.</p> <p>B1c: CapitaONE/Salesforce Educate record, or confirmed by attendance service</p> <p>B1d: Young person recorded on Aspire as being EET with a situation expiry date at least 6 months after situation start date, and status confirmed at least 3 months after situation start date</p> <p>If a child becomes home educated following qualification this measure becomes neutral</p>
B2	A child has concerning level of fixed term exclusions	<p>One of the following:</p> <ul style="list-style-type: none"> • The school census, CapitaONE or Salesforce Educate system show that the child or young person has been excluded for 6 half day sessions or more over 3 consecutive terms • Ticked as a need/highlighted in the Early Help Assessment 	<p>The child must achieve each of the following:</p> <ul style="list-style-type: none"> • Be on a school roll or accessing appropriate alternative provision (B1a) • No longer have a concerning level of fixed term exclusions (B2) • Or, where the young person has turned 16 and completed the final year of compulsory 	<p>B1a: CapitaONE/Salesforce Educate record/School census</p> <p>B2: Both of the following:</p> <ul style="list-style-type: none"> • The school census, CapitaONE or Salesforce Educate system show that the child or young person has been excluded for fewer than 6 half day sessions over 3 consecutive terms

		<ul style="list-style-type: none"> • Declared by professional supporting the child 	<p>education, the young person is in sustained Employment, Education or Training (B1d)</p>	<ul style="list-style-type: none"> • Where qualification was based on professional nomination, professional declares significant and sustained progress <p>B1d: Young person recorded on Aspire as being EET with a situation expiry date at least 6 months after situation start date, and status confirmed at least 3 months after situation start date.</p> <p>If a child becomes home educated following qualification this measure becomes neutral</p>
B3	A child has been permanently excluded from school or subject to a managed move within the last 3 school terms	<p>One of the following:</p> <ul style="list-style-type: none"> • CapitaONE or Salesforce Educate show that child has been permanently excluded from school or subject to a managed move within the last 3 school terms • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child 	<p>The child must achieve each of the following:</p> <ul style="list-style-type: none"> • Be on a school roll or accessing appropriate alternative provision (B1a) • Have no permanent exclusion(s) or managed moves during 3 consecutive terms (B3) • Or, where the young person has turned 16 and completed the final year of compulsory education, the young person is in sustained Employment, Education or Training (B1d) 	<p>B1a: CapitaONE/Salesforce Educate record/School census</p> <p>B3: CapitaONE or Salesforce Educate system show that the child or young person has not been subject to a permanent exclusion or managed move for 3 consecutive terms</p> <p>B1d: Young person recorded on Aspire as being EET with a situation expiry date at least 6 months after situation start date, and status confirmed at least 3 months after situation start date.</p> <p>If a child becomes home educated following qualification this measure becomes neutral</p>
B4	A child displays challenging behaviour at school and/or is at risk of permanent exclusion	<p>One of the following:</p> <ul style="list-style-type: none"> • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child • Child is subject to high level behaviour intervention such as: 	<p>The child must achieve each of the following:</p> <ul style="list-style-type: none"> • Be on a school roll or accessing appropriate alternative provision (B1a) • Display improved behaviour and meet expectations (B4a) • Not be permanently excluded (B4b) • Or, where the young person has turned 16 and completed the final year of compulsory 	<p>B1a: CapitaONE/Salesforce Educate record/School census</p> <p>B4a: Professional supporting the child confirms at least 6 months after qualification under this measure that behaviour has improved, the child is meeting expectations and is not currently at risk of permanent exclusion.</p>

		<ul style="list-style-type: none"> - Child is on roll at PRU or another specialist alternative provision - Child has been referred to the Behaviour Panel - Child has been repeatedly secluded - Child is attending an in house provision for children with behavioural needs 	<p>education, the young person is in sustained Employment, Education or Training (B1d)</p>	<p>B4b : CapitaONE/Salesforce Educate record/School census</p> <p>B1d: Young person recorded on Aspire as being EET with a situation expiry date at least 6 months after situation start date, and status confirmed at least 3 months after situation start date.</p> <p>If a child becomes home educated following qualification this measure becomes neutral</p>
B5	A child is missing from education	<p>One of the following:</p> <ul style="list-style-type: none"> • Attendance data shows child of compulsory school age has not been on a school roll for a total of 4 or more weeks during the past 3 school terms and was not home educated during this period • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child 	<p>The child must achieve both of the following:</p> <ul style="list-style-type: none"> • Be on a school roll or access appropriate alternative provision (B1a) • Have satisfactory attendance over 3 consecutive terms (B1b) <p>Or one of the following:</p> <ul style="list-style-type: none"> • Receive suitable elective home education (B6) • Where the young person has turned 16 and completed the final year of compulsory education, the young person is in sustained Employment, Education or Training (B1d) 	<p>B1a: CapitaONE/Salesforce Educate record/School census</p> <p>B1b: CapitaONE/Salesforce Educate record/School census shows 90% attendance over last 3 terms</p> <p>B6: Home Education Officer has applied Green RAG rating following assessment of provision and home visit</p> <p>B1d: Young person recorded on Aspire as (being EET with a situation expiry date at least 6 months after situation start date, and status confirmed at least 3 months after situation start date</p>
B6	A child is not receiving an acceptable standard of home education	<ul style="list-style-type: none"> • The Elective Home Education Officer has assigned a RAG status of Red or Amber to the child's Home Education record on CapitaONE or Salesforce Educate 	<p>The child must achieve both of the following:</p> <ul style="list-style-type: none"> • Be on a school roll or access appropriate alternative provision (B1a) • Have satisfactory attendance over 3 consecutive terms (B1b) <p>Or one of the following:</p> <ul style="list-style-type: none"> • Receive suitable elective home education (B6) • Where the young person has turned 16 and completed the final year of compulsory education, the young person is in sustained Employment, Education or Training (B1d) 	<p>B1a: CapitaONE/Salesforce Educate record/School census</p> <p>B1b: CapitaONE/Salesforce Educate record/School census shows 90% attendance over last 3 terms</p> <p>B6: Home Education Officer has applied Green RAG rating following assessment of provision and home visit</p> <p>B1d: Young person recorded on Aspire as being EET with a situation expiry date at least 6 months after situation start date, and status confirmed at least 3 months after situation start date</p>

Children who need help

Strategic Goal: Early identification of need, promote coordinated service provision and reduce the number of children and young people being referred for specialist or targeted services. Safeguard and protect all the children in Peterborough.

	What are we concerned about?	How will we know?	What does success (Significant and Sustained Progress) look like?	How will we know Significant and Sustained Progress has been achieved?
C1	A child or young person has more than one unmet need	<ul style="list-style-type: none"> Child for whom an Early Help Assessment has been initiated (to include deemed Early Help Assessments i.e. Child and Family Assessments) 	All identified needs are adequately supported	<p>The Early Help assessment has been opened more than 6 months ago, and one of the following conditions has been met:</p> <ul style="list-style-type: none"> The Early Help Assessment has closed, the Lead Professional has assigned an End of episode success rating of 7 or above, and no new episode has been opened. The Early Help episode has closed, the Lead Professional has assigned an end of episode success rating of 3-6, significant and sustained progress is declared by the lead professional at least 6 months after the Early Help start date, and no new episode has been opened. The Early Help episode is still open, and significant and sustained progress is declared by the lead professional at least 6 months after the Early Help start date. <p>• Progress has been made against C2</p>
C2	A child or young person has had a referral to Children's Social care resulting in the completion of a C&F assessment	Child for whom a Child & Family assessment has been initiated in the past 6 months as recorded on Liquid Logic	The case is closed to Children's Social Care and has not been re-opened to Children's Social Care for a further Child & Family assessment for a period of 6 months	The case has been maintained at Early Help or universal services level for a period of 6 months with no escalation to Children's Social Care

				and there is no open referral to CSC at the time of claim
C3	A child or young person has been subject to neglect	One of the following: • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child or young person	Child or young person is not exposed to any form of neglect (emotional, physical, environmental) for a period of 6 months following qualification under this measure	Declared by professional supporting the child or young person
C4	A child or young person is at risk of or has been subject to CSE	One of the following: • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child or young person • Identified as high-risk by Operational Group within last 6 months	Reduced level of risk to CSE for a period of 6 months following qualification under this measure or 6 months after last identified as a high-risk case at the Operational Group meeting	• Not discussed at Operational Group meeting as a high-risk case for 6 months And one of the following: • CSE Risk Assessment improvement • Declared by professional supporting the child or young person
C5	A child or young person has been missing from home	One of the following: • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child or young person • Identified by Operational Group within last 6 months	No missing from home episodes reported for 6 months from the last reported incident	• No recorded missing from Home Episodes (MASH, Police) • Declared by a professional supporting the child or young person
C6	A child or young person is a Young Carer in need of support	One of the following: • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child or young person	Child or young person feels adequately supported	Declared by professional supporting the child or young person
C7	A child or young person experiencing or at immediate risk of harm (including emotional, physical and sexual harm)	One of the following: • Ticked as a need/highlighted in the Early Help Assessment • Declared by professional supporting the child or young person	The young person is no longer experiencing or at immediate risk of any form of harm	Declared by professional supporting the child or young person
