Hello,

My name is Rose Hooper and I head up the team Virtual school team. You may have met your link from the Virtual school at a Personal Education Plan (PEP) Meeting. They are always telling me about either some of the amazing things that you have been doing or how hard you have worked. We are always so proud of the effort that you put in 😊

We know that Covid 19 has changed everything to do with school including exams and being with your friends. We wanted to do something that we felt would be supportive to you in looking forward to the next step as you move from year 11 to year 12.

The “ What’s next? “ Booklet is one way we to support you in preparing for the future.

We hope that you will find something of interest. Remember, it is not where you start but where you finish that is important, and there are people in your life that want to support you.

Please look out for the Arts Connect Activities which will involve Music making with The HIVE. We would love your feedback on the booklet and if you have any questions please contact us.

Kind regards

Rosemary Hooper

Head of Shropshire Virtual School for Looked After Children
