Young Person Aspirations and Goals

Please include information on young person's planning aspirations, goals and ideas, include short term and long term plans

Carers Aspirations

*Please include information on carer planning aspirations, goals and ideas, include short term and long term plans
What does the carer want to achieve for themselves? , What does the carer want to achieve for the young person?*

Current Needs

What are the current needs for the young person and how are these needs currently being met? Are there any unmet needs? Please consider, Care and support, Education, Health, Communication, Equipment, Social & Emotional wellbeing, Accommodation / Housing, Finance / Benefits.

Carer support

What is going well for the carer, what are their strengths? (Please consider practical and emotional support that the carer(s) provides to the young person. How is the carer managing in their caring role and do they need any additional support?, Will this change when the young person reaches 18? Does the carer(s) wish to continue caring, and if they do, what needs to happen? Consider what might have to change for the carer(s) to continue?, Consider benefit check and implication of potential financial changes? Does the Carer (s) work or wish to do so in the near future? Does the Carer participate in education, training or recreation or wish to do so in the near future? Consider sign posting to Emergency Card, Carers Centre, Carers assessments and Housing and Benefits.

Carer assessment

Is the Carer likely to have needs for care and support? Is an assessment required?

Young Persons Future needs

*What are the likely and projected needs for care and support after the young person becomes 18? how could these be met and by who?
(Please refer review carers response) Has a health check list been completed?*
